

The London Festival of Architecture was created in 2004 to celebrate and promote the global contribution of London as the world's architectural hub. Taking place throughout June, the annual festival provokes questions about the contemporary and future life of the city, and promotes positive change to its public realm. The city-wide programme is delivered by leading cultural and academic institutions alongside associated projects by practices and individuals.

The LFA is an internationally recognised cultural event that performs an invaluable role in bringing the skills of the profession to a wider public, but to do this, we need your support. You can help by joining the LFA500 CLUB.

Not only does the LFA500 CLUB provide financial support for the festival, but it also creates a powerful core of practices and like-minded individuals who are interested in being actively engaged with this increasingly significant fixture on London's cultural calendar.

For an annual fee, membership of the LFA500 CLUB can also provide significant benefits to you and your practice, bringing you much closer to the festival.
